

## GMA-JACK6A-SH

Keystone Connector, Category 6A, Shield.

### Specifications & Features

- Compact slim design fits into any conventional face plate, outlet box, or panel.
- IDC insetion life 200 cycles.
- Plug insertion life 750 cycles Min.
- Dielectric strength no change, when applied AC 750V or DC 1000V 1 minute between adjancet terminal.
- Category 6A keystone jack 180° Shield.
- Slimline shape design for high-density applications.
- Enhanced IDC termination towers reduce installation time and increased performance

### Material Specifications

Body Color: Silver  
Body Material: Zinc  
Contact Base Material: Phosphor Bronze  
Contact Sub-Surface Material: 100 microinches thick Nickel - Plated  
Contact Surface Material: 50 microinches thick Gold - Plated

### Mechanical Specifications

Cable Type: 8 Conductor Utp Copper Cat 5e, 6, 6A  
Connector Feature: Channel/Component Rated  
Position/Conductor: 8P8C  
Termination Type: Tooless  
Wiring Standard: T568A - T568B

### Standards and Certifications

FCC: Part 68 Compliant  
NEC: Article 800 Compliant  
TIA/EIA: TIA-568C
